

Special Issue on Recent Research Scenario 2016

EDITORIAL

If necessity is the mother of invention, scientifically developed production is the mother of scientific research
— [Arthur Edwin Kennelly](#)

In this special edition of Recent Research Academy and International Journal of Research, titled on “**Current Research Scenario**” more focus is given to the Current Researches from social sciences, which are considered as the need of the hour. Altogether this issue has six standard research articles contributed by academicians and enthusiastic research scholars. In this special edition, **Rural Students’ Attitude towards English as Medium of Instruction in Higher Education – An Analysis, Individual Behaviour and Group Behaviour In Organizational Setting, Factors Influencing On Entrepreneurial Development- A Study, Knowledge And Use Of RSS Feed Among Arts And Science College Students, A Study Of Call-Based Instruction in improving Listening Skills among the Engineering Students & Transformation of Dalits in Ambedkar Villages in UP** were addressed. This volume enriches the reader to update their existing knowledge on these areas of Arts and Social Science.

While I thank all the contributors and member of the editorial board for their contribution and cooperation, I thank and appreciate the timely help rendered by the team of Recent Research Academy and INTERNATIONAL JOURNAL OF RESEARCH for their valuable help and timely efforts to bring out this edition on the moment.

Reader’s feedback is always welcome!
